

# PATTERN INSTRUCTIONS

1. Print pages 1 and 2 of this file (make sure it is on landscape setting for printing).
2. Overlap the two pages (trim as needed) to form the entire stocking pattern into one piece. Use the thick dotted line to help match the pieces. Final pattern should be about 5 3/4" across the top and about 13 3/8" from top to bottom.
3. Tape the pieces together and then cut the pattern out using the outside edges of the dark outline. Be sure to save these instructions.
4. For a longer lasting pattern, trace it onto a piece of posterboard before using.
5. Cut two stockings from the pattern.

Use RED felt (or other sturdy fabric) for GIRLS.

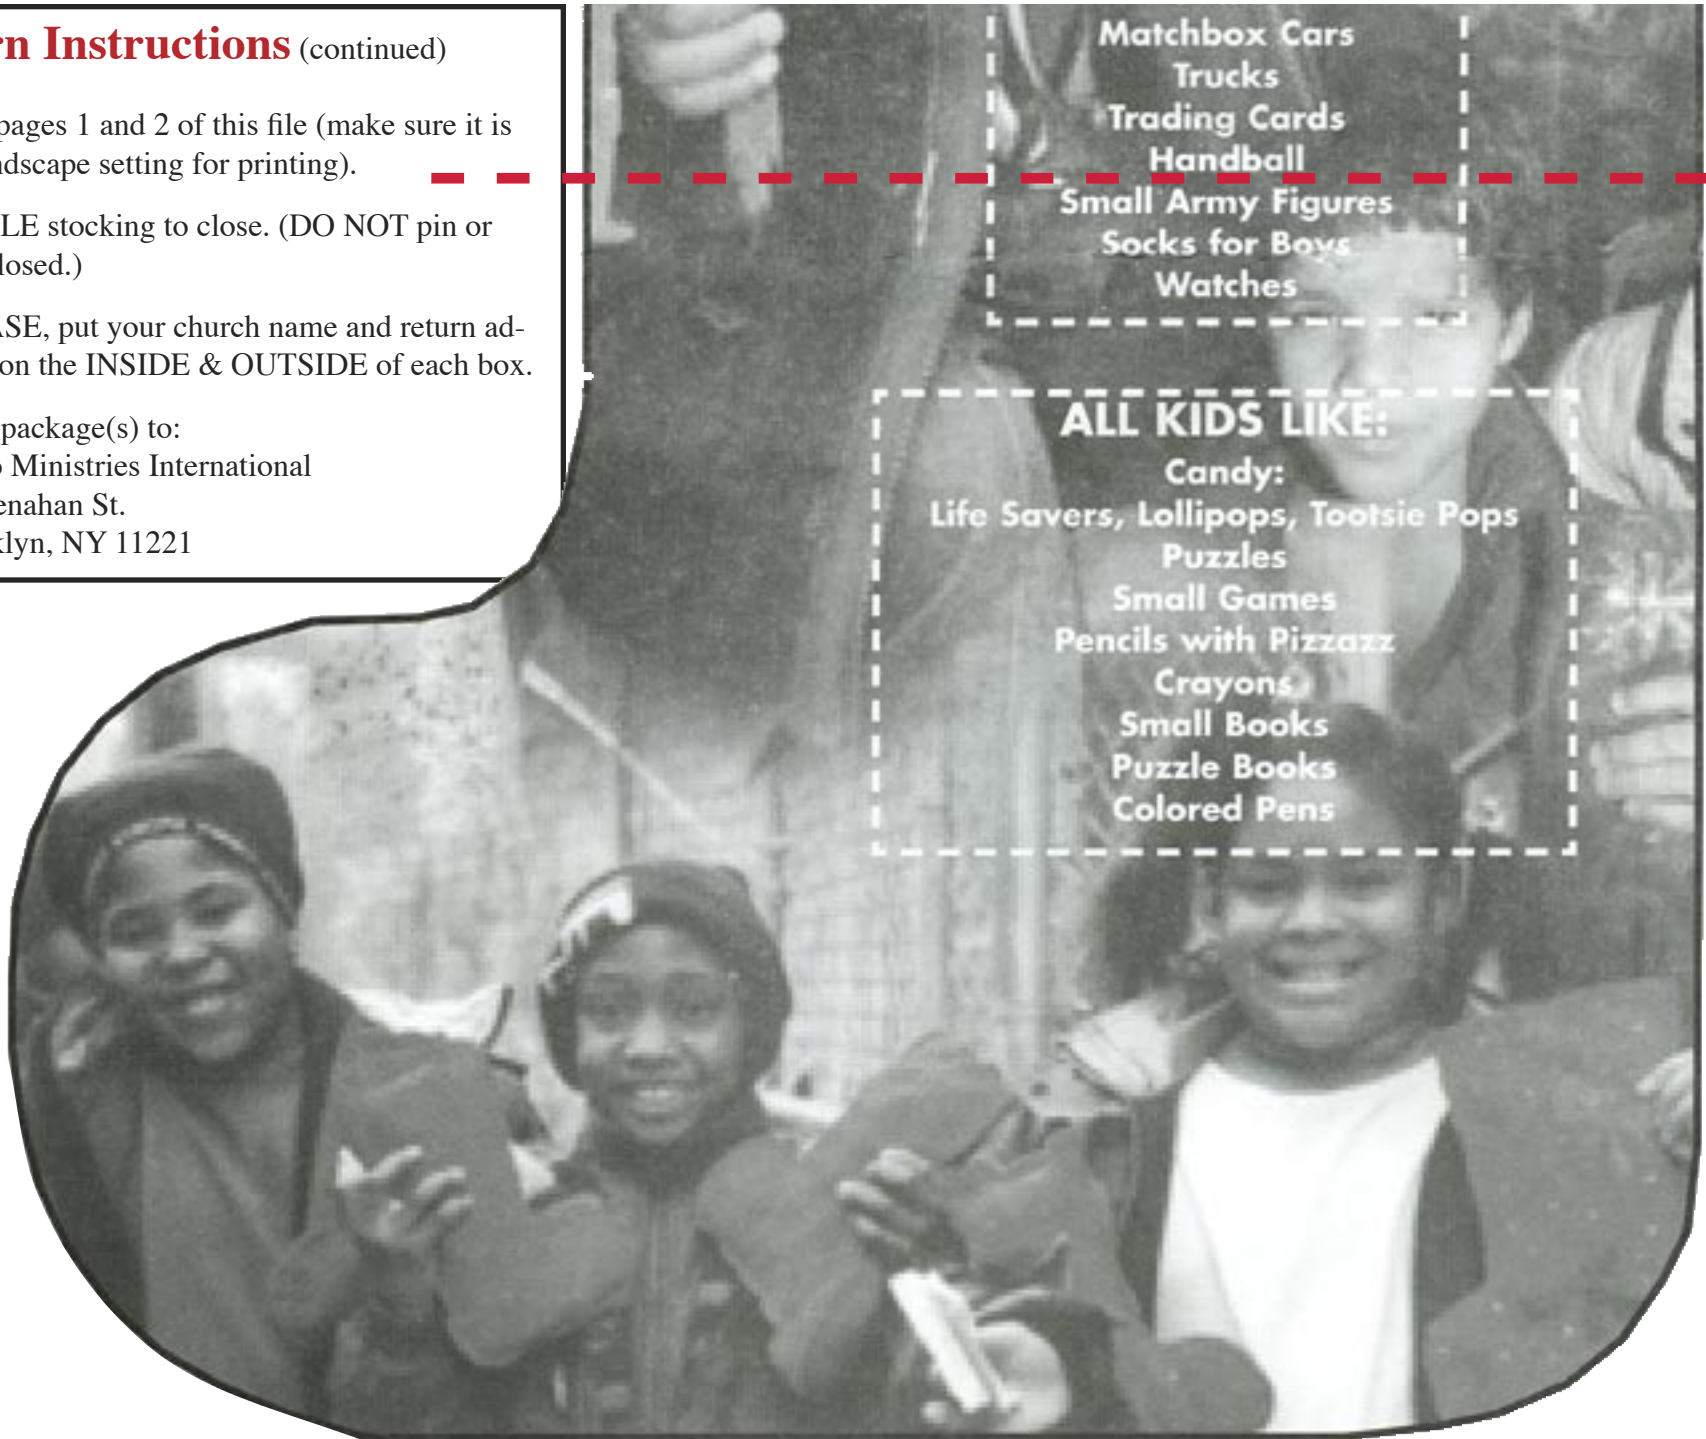

Use GREEN felt (or other sturdy fabric) for BOYS.

6. Sew pieces together **on the outside** using either a zig-zag or a straight stitch.
7. Fill the stockings to the top with new items. Use the stuffer ideas printed on the stocking pattern. Whatever you feel comfortable giving to your own child, we like. (SO PLEASE, **NO RAZORS** or SHARP OBJECTS.)

## Pattern Instructions (continued)

8. Print pages 1 and 2 of this file (make sure it is on landscape setting for printing).
9. STAPLE stocking to close. (DO NOT pin or sew closed.)
10. PLEASE, put your church name and return address on the INSIDE & OUTSIDE of each box.
